MEMORANDUM FOR THE EXECUTIVE SECRETARY
NATIONAL SECURITY COUNCIL

SUBJECT: NSC 5406/1 (Yugoslavia)

REFERENCE: NSC Action No. 1028

The Operations Coordinating Board, at its May 19th meeting, approved the attached Progress Report and directed that it be forwarded to the National Security Council. This is the first progress report on NSC 5406/1 and covers the period from February 6, the date of the adoption of NSC 5406/1, through May 6, 1954.

It will be noted that this report contains no substantive information on the progress of the Trieste negotiations, the eventual outcome of which will have a major impact on the future usefulness of NSC 5406/1. When the Trieste negotiations reach a stage which makes it appropriate, the Operations Coordinating Board intends to prepare a special report commenting on the situation as it then exists in reference to NSC 5406/1 and confirming the continuing applicability of that policy statement or making recommendations for its reconsideration as appropriate.
